CEREMONY

'here to hold your hand
through the planning
stages and on your day,
every step of the way'

'There really are not enough words to describe this amazing team and just how brilliant they are. We met Katie over 2 years ago a few days after our engagement and from that moment on I knew we had found someone to trust and deliver our day of dreams. The whole team are with you every step of the way, no question or request at any stage is ever too much hassle, Katie was always at the other end of the phone to reassure any wobble I had throughout planning and to reassure me I honestly didn't need to stress, and guess what? She was 100% right, the team had it all in hand. The day arrived and wow! It was everything we dreamt of and so much more, the decor was perfect, exactly as we had envisaged, Katie knew exactly what I was thinking and brought it to life. I was so relaxed and enjoyed the day knowing our day was in the very capable hands of the fab team. The suppliers the team work with are second to none and of the highest quality and MMC attention to detail didn't go unnoticed. I honestly can't describe Katie as anything else than a true friend and fairy godmother, she goes above and beyond for every single one of her brides and I'd have no problem recommending her and the amazing team she has alongside her in helping you plan and execute a day of dreams

MARRY ME

Cyprus

We cannot thank the team at Marry Me Cyprus enough! It has been the most difficult year to plan a wedding but they made it look easy, handling every single curve ball corona threw at us and ensuring that our day was absolutely perfect. They all have honestly been incredible right from the beginning and managed to make every part of our dream wedding come true. Also to Steph who helped make the venue look unreal and for helping the day run so smoothly. It honestly was the best day of our lives. I wish we could do it all again - thank you for giving us such a magical day! Roisin & Freddie xxx
